

# Big Data DevOps Engineer

We are looking for developers to join our team working on new Big Data projects.

**Workplace:** Warszawa

**Monthly gross salary range** (full-time job contract): 10 000 – 17 000 PLN (depending on skills and work experience)

**Requirements:**

- at least three years of professional experience in software development or system administration
- experience in large-scale, distributed data processing involving Hadoop framework stack
- good knowledge of Java 8, esp. the lambda expressions concept
- willingness to learn new technologies and skills
- knowledge of Polish or willingness to learn it
- good command of English
- welcome bonus would be the experience with Apache Spark, Oozie, Kafka, Hive and Pig

**We offer:**

- full-time job contract
- work on big and interesting international projects in close cooperation with major European research centres
- free choice of the latest technologies
- attractive salary based on experience
- work as part of a team with strong professional experience
- quiet and comfortable offices (no open-plan offices)
- friendly atmosphere
- working with scrum/agile methodology
- flexible working hours
- possibility of working from home part of the time
- possibility of part-time work
- exciting chats over coffee ;-)

Please include the following consent clause in your cv:

I hereby consent to have my personal data processed by the University of Warsaw with its registered office at ul. Krakowskie Przedmieście 26/28, 00-927 Warszawa for the purpose of

carrying out a recruitment process and selecting an employee and concluding a contract for employment at the University of Warsaw. I have been informed of my rights and duties. I understand that provision of my personal data is voluntary.

## **INFORMATION ON THE PROCESSING OF PERSONAL DATA**

Pursuant to Article 13 of Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation), University of Warsaw hereby informs:

1. The Controller of your personal data is the University of Warsaw with its registered office at Krakowskie Przedmieście 26/28, 00-927 Warszawa;
2. The Controller has designated the Data Protection Officer who supervises the processing of personal data, and who can be contacted via the following e-mail address: iod@adm.uw.edu.pl;
3. Your personal data will be processed for the purpose of carrying out a recruitment process and selecting an employee and concluding a contract for employment at the University of Warsaw;
4. The provided data will be processed pursuant to Article 221 § 1 of the Act of 26 June 1974 Labor Code (uniformed text: Dz.U. of 2018, item 917) and your consent for processing of personal data;
5. Provision of data in the scope stipulated in the Labor Code is mandatory, and the remaining data are processed according to your consent for processing of personal data;
6. The data will not be shared with any external entities;
7. The data will be stored until you withdraw your consent for processing of personal data;
8. You have the right to access your personal data, to rectify, erase them, restrict their processing, object to processing, and to withdraw the consent at any time;
9. You have the right to lodge a complaint to the President of the Office for the Protection of Personal Data.
